

# Alaska Spill Response Tactics Manual (ASRTM) Workgroup

October 28, 2004  
10:00 AM to 4:00 PM  
Alaska Department of Environmental Conservation  
1<sup>st</sup> Floor Conference Room  
555 Cordova Street  
Anchorage, AK

## Purpose of Meeting:

This is the first meeting of the workgroup process to initiate the development of an Alaska Spill Response Tactics Manual (ASRTM). The primary purpose of the meeting is to acquaint the Workgroup with the work done in the first phase of this project and get direction from the Workgroup on the content and format of the manual. Nuka Research and Planning Group will then develop the initial draft of the manual for the Workgroup to review.

Invited Attendees: See workgroup list at <http://www.state.ak.us/dec/spar/perp/asrtm/index.htm>.
